SALISBURY STATE COLLEGE

1987 BASEBALL

1987 SEA GULL BASEBALL

Head Coach Deane Deshon
Maine Maritime '53
24th season
374-281-11

Deane Deshon has been the Sea Gulls' head baseball coach since 1964, two years following his arrival at Salisbury State. In the 23 years that have elapsed since that time, Deshon's Sea Gull teams have put together an impressive 374-281-11 record.

Deshon has won Coach of the Year awards on two separate occasions during his career. He won the NAIA District 19 award in 1971 following his team's place finish in the Delaware Valley Conference. His next award came in 1977 when his team finished the season 33-11 overall, and he received the NCAA Division III Coach of the Year award. Deshon is a former member of the important NCAA Regional Advisory Committee for baseball which selects teams for postseason play across the nation.

The Rockland, ME native came to Salisbury State by way of the Maine Maritime Academy, where he studied Marine Science, and the University of Maine at Orono, where he studied Physical Education. Deshon received his master's degree in Physical Education from the University of Maryland College Park in 1962. He coached the Terrapin freshman baseball team during his two years of study.

After Deshon had settled into his duties as a PE instructor at Salisbury State, he was charged with the reintroduction of collegiate baseball to the Eastern Shore in 1964, Salisbury at one time being a hot bed for semiprofessional baseball, especially during the 1950s.

Following two consecutive winning seasons, Deshon's 1969 club reached the semifinals of the NAIA District 19 tournament. His next three teams also participated in the tournament, either playing in the quarterfinals or semifinals each year.

In the years since Salisbury's entry in the National Collegiate Athletic Association (NCAA), Deshon has guided five teams to postseason play in the NCAA's South Atlantic Region, the Sea Gulls' 1983 squad being the most recent team to reach postseason play, achieving fourth place in the region.

Deshon has acted as head basketball coach along with his other coaching duties over the years and was the longtime athletic director. He was named associate athletic director in 1984 and is now in charge of games administration, budgeting and eligibility for the department.

Assistant Coach Pat Campbell

Pat Campbell will be the Salisbury State College assistant baseball coach for the 1987 season.

Campbell, a native of Pitman, NJ, is an administrative assistant to the athletic director and assistant facilities coordinator at SSC. He began his duties in September, 1986.

He came to SSC to complete his master's degree in Sports Administration from St. Thomas University in Miami, FL. While at St. Thomas, Campbell was an assistant athletic director and assistant baseball coach. His duties ranged from scouting to hitting and working with the outfielders.

Campbell's baseball knowledge and experience was broadened at St. Joseph's University in Philadelphia, PA. An outfielder for four years for the Division I Hawks, he graduted in 1984.

1987 BASEBALL PROSPECTUS

A more experienced and seasoned baseball team in 1987 will help lift Salisbury State College to greater heights in the upcoming season.

Head coach Deane Deshon (Maine Maritime '53) enters his 24th season (374-281-11) at the Sea Gull helm with 18 returnees among the 35 prospects on the pre-season roster.

"Compared to last year (when the Gulls went 12-28-1), all aspects of the team are improved," said Deshon. "We had giant holes to fill last year, but the young kids that experienced 1986 are back. I think we have made sufficient strides this year to feel comfortable going into the season. Our offense, pitching and fielding are improved."

SSC has the nucleus to build a strong outfield in 1987. Returning from two years ago is junior Randy Collett (Glen Burnie). Collett hit .362 in 1985 and will be positioned in right field. Senior Bruce Matthews (Salisbury), who played first base for much of last season, is slated at the centerfielder. Matthews led the team last year in hitting with a .396 average. Leftfield appears to have Allen Cook (Smyrna, DE) penciled in. Cook hit .348 last year, coming on strong at the end. Don Bennett (Ijamsville), a freshman with good talent, is the top backup in the outfield.

Only one position in the infield has a returning starter from last year—second base. Senior co-captain Devin Warwick (Salisbury) had a fine season in 1986, hitting .304 and leading the Gulls from second. However, the remaining infield positions are being battled for.

Senior Jeff Stokes (Worton) and sophomore Russ Smith (Westminister) seen to have the inside track at shortstop and third base, respectively. Stokes saw limited playing time two years ago.

At first base, Deshon hopes one of the three M's—senior pitcher C.R. Murphy (Cambridge), sophomore Chris Manouse (Baltimore) or freshman Mike Marinelli (Leonardtown)—will be able to handle the job.

Several players qualify for excellent backups in the infield including a newcomer to the program, junior Russ Reeling (Berlin).

Three players will vie for the catching duties. Junior Rob Hartwell (Keene, NH) saw time behind the plate last season and could be the starter. However, sophomore Greg Hook (Ocean View, DE) and freshman Artie Purdue (Seaford, DE) will push Hartwell for playing time.

Pitching will have to be improved upon if the Gulls are to have an excellent season. Last year SSC pitchers gave up almost seven runs per game. However, Deshon does have some solid returnees to build on.

Senior co-captain Craig Shreeves (Salisbury) and Murphy head the list of pitchers in camp. Juniors Ted Peters (Fort Washington) and Ricky Collett (Glen Burnie) also return from last year along with sophomore Kevin Smith (Kingsville). Newcomers hoping to help SSC's pitching are junior Mike Nees (Flemington, NJ) sophmores Dean Mitchell (Dagsboro, DE) Steve Smith (Cape Charles, VA) and Al Pritchett (Easton) and freshmen Mark Perry (Laurel, DE), John King (Laurel, MD), and Mike Wiseman (Wilmington, DE).

SSC will have a 32-game schedule (10 games at home) in 1987 with the opener on Friday at Christopher Newport. Traditional rivals Frostburg State, Spring Garden, Mt. St. Mary's and Virginia Wesleyan will travel to Sea Gull Stadium during the season. SSC will make its spring trip to the Carolinas and face Division I foes Baptist and The Citadel while also playing tough teams such as NC Wesleyan, Francis Marion and Methodist.

1987 SSC BASEBALL TEAM CAPTAINS

Craig Shreeves
Pitcher
Sr, 6'0, 170
Wicomico High School
Salisbury, MD
Business

One of the top returning pitchers for the Gulls in 1987...had best season in 1985 with six wins...pitched in more games last season than any Gull with 16...left-hander with a deceiving windup...three-year letter winner...has eight career wins...needs 21 strikeouts for 100 in his career...will be relied upon for support to SSC pitching staff...born January 3, 1965...son of Marion Shreeves.

SSC TODAY

Nestled in one of the nations's most magical and historical areas, the Eastern Shore of Maryland, Salisbury State College effectively combines the relaxed yet personable nature of a small college education with the rigorous academic demands of a major university.

The recreational pursuits of the Eastern Shore are legendary, from the boardwalk of Ocean City to the wilderness of Chincoteague Island to the tranquility of Blackwater Refuge near Cambridge, MD. Only 30 miles to the east is Ocean City's famous white beach and the 30 miles of Assateague Island's National and State Park.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, the Master of Business Administration, and the Master of Science in Nursing.

Salisbury State's undergraduate program became more defined in 1984 with the alignment of the College's major programs into five distinct schools of learning: the School of Nursing and Health Sciences; the School of Business; the School of Liberal Arts; the School of Professional Studies; and the School of Science.
